A trio of guitarists will play an intimate show at Mario's Place in Riverside on Sunday.

Global Guitar Greats comprises Thomas Leeb, Stephen Inglis and Shawn Jones.

Leeb released his first acoustic guitar album when he was 17, and Acoustic Guitar magazine deemed his album "Desert Pirate" one of the essential albums of the past 20 years.

Slack key guitar is Inglis' instrument of choice. He has won numerous awards and has an album on permanent display at the Smithsonian Museum of American History.

With 25 years of touring under his guitar strap, Jones has been on the same bill as Bonnie Raitt, Willie Nelson and B.B. King, to name a few.

5:30 p.m. Sunday at Mario's Place, 3646 Mission Ave., Riverside. 951-684-7755, \$20-\$25, [globalguitargreats.com](http://globalguitargreats.com).
